

Arcare Fee Schedule

At Arcare, our goal is to provide families with professional, personalized services that ensure their loved one with a disability will receive caring support throughout their lives. Because Arcare is a certified 501(c)(3) non-profit organization, our expenses are met by fees. Some fees are mandated at the state or federal government level, while others simply ensure we can continue providing our services at a cost reasonable to those we serve.

Life Care Plan Program

Initial Planning Services – \$450

This includes 10 hours of initial planning services provided by Arcare. Additional hours will be assessed at the current hourly rate. A discount of 50% is offered for families enrolling an additional child.

Annual Review – \$65/year

Arcare offers families the opportunity to review the current Life Care Plan in place for their loved one with a disability to ensure it reflects current preferences and priorities. Additional updates are available at the current hourly rate upon a given family's request.

Service Fee – \$45/hour (plus mileage expense)

Services are provided by Arcare at the current hourly rate noted above. These include Life Care Plan Services and Guardianship Services. Families are encouraged to set aside funds through special needs estate planning to pay service fees. Please consult with Arcare staff for more information on the Arcare Pooled Trust Program.

Representative Payee Program

Payee Program Fee

As an organizational representative payee, Arcare is required to charge the fee amount regulated by the Social Security Administration. Additional fees may apply if Arcare manages income other than or in addition to SSI and SSDI.
